

Combat Veterans For Congress PAC Mission Statement

The Combat Veterans For Congress Committee is dedicated to supporting the election of fiscally conservative Combat Veterans to Congress. We seek Combat Veterans For Congress who believe in limited government, will rein in the out of control spending of Congress, are committed to preserving and defending the US Constitution, and will support the independence and freedom of the individual as outlined in the Bill of Rights. We support Combat Veterans For Congress who are dedicated to promoting The Free Enterprise System that created the greatest economic engine in the history of mankind, who will provide for a strong national defense, and who will endorse the teaching of US history and the Founding Fathers' core values in educational institutions.
