

Dear Scottsdale Resident, Small Business Owner, Concerned Citizen,

You are invited to join and to participate with the Coalition of Greater Scottsdale (COGS) to improve your city government and to have a voice in decisions made by city staff and council.

COGS is an organization of civic-minded individuals who share a passion for our city and a willingness to advocate for protection of its unique characteristics. COGS' diverse membership includes neighborhood leaders and officers of other advocacy groups as well as many caring Scottsdale citizens.

COGS members believe that with careful and thoughtful planning, we can both cherish the past and embrace the future. Per our mission statement –***Consistent land use policy and protecting our unique quality of life***— Please go to our website www.cogsaz.net for details.

Membership Benefits: COGS supports fellow citizens who share COGS' values and want their voices heard. Members understand their voices will be amplified by joining a group of like-minded citizens, many of whom have extensive experience dealing with city government.

COGS provides its members with timely electronic newsletters reporting on city government actions, alerting neighborhoods about proposed projects and highlighting events happening in Scottsdale. COGS also solicits feedback, questions and suggestions from members as we seek ways to improve our local government.

The membership fee is \$10 per year, payable through PayPal, available on COGS' website www.cogsaz.net or by mailing a check made payable to "COGS" to 7904 East Chaparral Road, Suite A110 PMB 127, Scottsdale AZ 85250. Please complete the Membership Application on the COGS website and send it by e-mail to sandys@cogsaz.net or snail mail with your dues.

Thank You for your interest in making Scottsdale the best that it can be! If you would like to speak directly with me, please call 480-268-9200.

Thank you!
